Chocolate Frog Cards

the things you'll need are:

the chocolate frog cards templates double sided tape or glue scissors laminating machine and sheets or self-adhesive clear book cover

cut out all of the cards fronts and backs. put double sided tape on one of the 2 parts of a card, peel of the paper from the double-sided tape and stick the front and back part of the card together. if you use glue instead of tape, put some glue onto one of the 2 parts of the cards and stick the 2 parts together.

when you have assembled all of the cards either laminate them or cover the in the self-adhesive book cover.

Cut all of the cards out again and your homemade chocolate frog cards are done!!!
