

OCCAMY EGGS

A perfect room decor

The things you'll need are:

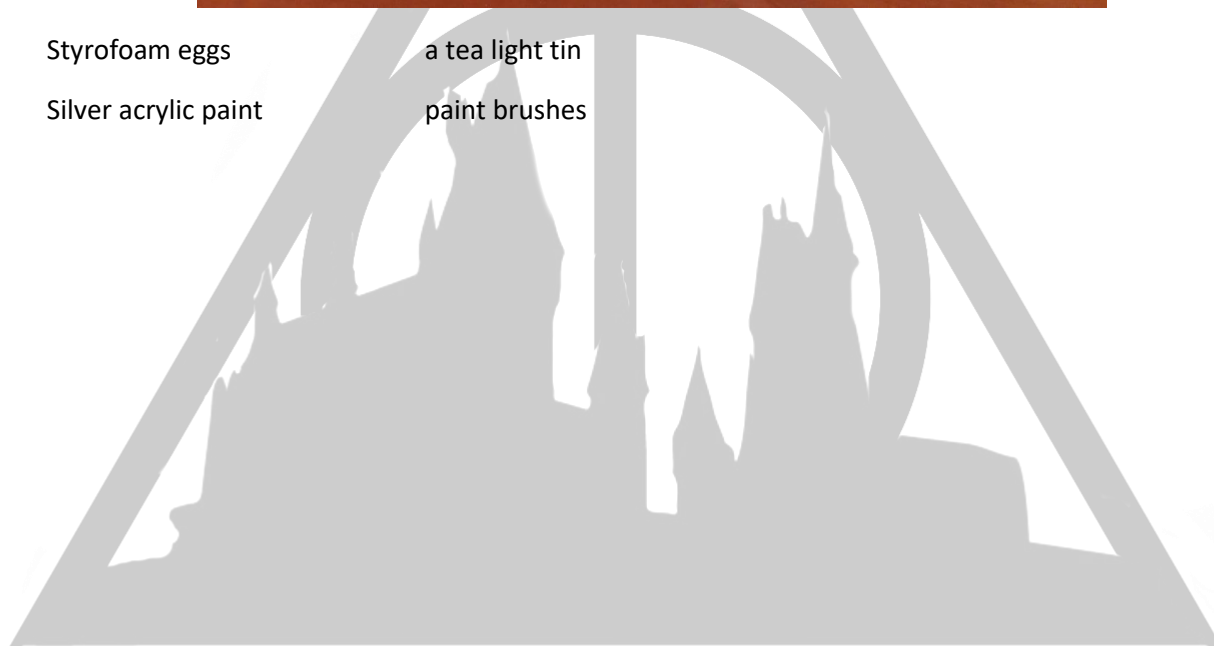

Styrofoam eggs

a tea light tin

Silver acrylic paint

paint brushes

Grab your silver paint and paint brushes and start applying thin coats of the silver paint. Use the tea light tin to put the egg on while its drying.

Keep adding thin layers of paint on the egg until your happy with the silver color. About 4 to 5 thin coats of silver paint is enough.

And now your Occamy eggs are done!

Have fun making these Occamy eggs!
